Balloonists arrangements 2022

Document version 23-05-2022

Dear reader,

We are honoured to hereby present the balloonists arrangements brochure for our 38th international balloon festival.

This year the event will take place from Wednesday the 17th until Saturday the 20th of August on the Schaffelaar Estate in Barneveld.

By means of this brochure you are informed about the various arrangements.

The first Dutch balloon flight took place two hundred years ago. In Barneveld a balloon festival has been organised for over Thirty years. It's ranked among the best balloon festivals in Holland. Also this year many hot air balloons and special shapes will take off from our unique location. There will also be an entertainment program for our many spectators. Every evening will end with a marvellous nightglow.

Charity

The regulations of Stichting Internationale Ballonfiësta Barneveld ("the foundation") state that in case of a surplus money will be donated to local charity.

Permits for events receive new rules every year, they are often related to safety. Further points for attention are described in the house rules paragraph.

Program and actual information

We are very busy preparing this year's program. When the program and the list of participating balloons is complete, it will be communicated through our website – www.ballonfiestabarneveld.nl -- (21.000 hits / year)

We need your support to make this year's festival possible. Therefore we ask you to read the following brochure, in which our balloonist arrangements are described.

Important details:

- We will deal with your application when we have received it in full
- The agreement is legally valid when you have received a confirmation
- During the Balloon Festival all data and technical demands will be checked by our flight director. This final check will determine whether you are eligible to participate in the event.

In case of any questions, please don't hesitate to contact Monique Hoogeslag, balloonists coordinator, by mail on ballonzaken@ballonfiestabarneveld.nl or Mobile +31 6 2350 5807

Yours sincerely,

On behalf of Stichting Internationale Ballonfiësta Barneveld,

Jack de Jong,
Chairman

When the flying is cancelled because of the weather conditions:

- For arrangement A, the expenses of the substitute flights are on your account
- For arrangement B, the expenses of the substitute flights are on the account of the SIBB.
- There will be no restitution of money. The organization itself has fixed costs to pay.

New House Rules:

- The tent for pilot briefing is only accessible for pilots and persons of the organization
- Pilot and crew badges must be worn visibly.
- Balloon teams receive dinner vouchers, snack vouchers and consumption coins only to use on the balloon team and volunteer terrace or tent (next to the main bridge).
- Closing of catering on Wednesday, Thursday, Friday at 1 am and on Saturday at 11.30 pm. These times have been set by the issuer of the permit for the event.
- It is not allowed to take consumptions from the terrace to the take-off site.
- The take-off area and the access paths must be driven at walking pace.
- **Crew members must be at least 16 years old.**
- **A passenger must be at least 12 years old.**
- Persons under the age of 16 must stay with their supervisor while preparing the balloons for the ascent of the last balloon. Safety and liability are the reason for this.
- Strict safety rules apply to the mobile gas filling station. We ask specific attention for the supply and discharge routes to and from the filling station. You have to connect at the back of the queue to ensure smooth flow. On the first evening, the employees attach a wrist strap to the gas bottle. The strap must remain on the gas bottle every evening.
- All aviation matters have been mandated to the Flight Director by the board, you must follow all relevant instructions.
- The Launchmaster gives permission to take off. The release of the Quick Release is always carried out by and under the responsibility of the pilot, and only after the relevant permission has been obtained.
- The pilot is at all times responsible for the balloon flight.
- You must report special circumstances to the Flight Director and state this on the landing form.

Admission conditions:

- Declaration form arrangements & Pilots (part of this brochure)
- Picture of the pilot.
- Brief general information about the pilot.
- Picture of the balloon.
- Brief general information about the balloon.
- Application to all necessary (technical) demands. These will be checked by our flight director.

We send you a confirmation after receiving your completely filled in and signed declaration form. **At that time, there is a final notification.** Admission tickets and other documents will be send to you at least 14 days before the festival.
